

Adopt-A-Teacher

Please help the PTA support and appreciate the teachers and staff members of Forest Ridge Elementary School.

Our teachers and staff work very hard, but they need your support. Often, teachers spend their own money to help purchase items to supplement their classroom activities.

You can help! Please consider participating in the **Adopt-A-Teacher** Program. Adopt a teacher or staff member today!

If you are unable to support a teacher or staff member for the whole year, please consider providing one month of support.

We want to match all teachers and staff members, but those teachers that do not usually have regular support will be matched first. Our goal is to match families with teachers other than their homeroom teachers to ensure fairness to classmates.

When you adopt a teacher or staff member you will receive:

-Information about your adoptee and his or her likes and classroom needs

-Suggested ideas on taking care of your adoptee

-E-mail reminders to take care of your adoptee

Suggested monthly supply costs: \$5-10

Please note that all communication for this program is done via e-mail.

Please print legibly and return the bottom portion to your homeroom teacher by September 23, 2011.
