

# Fall After School Activities 2017-18

at Forest Ridge Elementary

sponsored by the PTA

## Chess Club - All Grades

Develop critical thinking skills, sportsmanship and patience by learning to play chess. Learn from highly-rated instructors, using a curriculum developed by National Masters. Each weekly session mixes learning and play. Play time is structured to pair against opponents of similar skill. Open to all ages and skill levels. To register or learn more, visit: [www.silverknightsenrichment.com](http://www.silverknightsenrichment.com). 13 weeks. **Ongoing registration.** Classes begin Monday 10/2 and run through 1/22. **Cost: \$182**

MONDAY

## Science Exploratorium - K-2

Come discover, experiment, and create as we learn about the colliding worlds of art and science in this STEAM-based class. Create simple machines, learn about crystals and minerals, and dabble in the world of robots. Put on your lab coat and grab your art supplies because this STEAM class will rock your world. To register, visit: <https://sciencek2fall2017.eventbrite.com>. 10 weeks. **Register by Friday 9/8.** Classes begin 9/19 and run through 11/21. **Cost: \$129**

TUESDAY

## KidzArt - All Grades

Create your own masterpieces using a variety of media such as markers, oil pastels, charcoal, watercolors and many more. To register, visit [www.KidzArtMD.com](http://www.KidzArtMD.com). 7 weeks. **Ongoing registration.** Classes begin 9/27 and run through 11/8. **Cost: \$126**

WEDNESDAY

## Spanish I - All Grades

Fun, engaging, and extremely effective intro Level I classes (Level II to immediately follow this session!). Music, stories, games, movement and repetition. To register, visit: [www.sarahsspanishschool.com](http://www.sarahsspanishschool.com). **10 weeks.** The first 15 students to sign up by 8/15 get a \$20 early registration discount. **For all others, please register by Monday 9/19.** Classes begin 9/14 and run through 12/14. **Cost: \$225**

THURSDAY

## Silver Knights Coding - 2-5

In Silver Knights coding classes, children create stories, games and animations using a visual programming language called Scratch. It's as easy to use as snapping together building blocks! The curriculum teaches new coders the basics while challenging more experienced coders to create increasingly complex programs. Different projects are done every session, so material doesn't repeat. Each child takes home a USB with all their programs on the last day! 8 weeks. **Register by Friday 9/29.** Classes begin 10/6 and run through 12/15. **Cost: \$176**
