Science Exploratorium

Come discover, experiment, and create as we learn about the colliding worlds of art and science in this STEAM-based class. We will create simple machines, learn about crystals and minerals, and dabble in the world of robots. Put on your lab coat and grab your art supplies because this STEAM class will rock your world!

Whiz Kids

Join us on a science discovery mission! We will explore the world of chemistry, engineering, and earth science through experiments and encounters. This program will enhance STEM education philosophies with a big punch of fun. Join us for this exciting journey into the world of science!

Green Thumb Club

Catch an insect, grow a terrarium, and save the earth...all while learning about nature and the world around us through exciting expeditions, science, and environmental exploration. Our Green Thumb Club will ignite your child's passion for nature, recycling, and learning about the earth through educational activities and science investigations. It's time to join the Green Thumb Club!
